The Ministry's Purpose

To bring together faith-based individuals that have a common belief in Judeo-Christian moral and ethical values by;

1. Encouraging, promoting and offering healthy spiritual services and physical lifestyle services for its Members.
2. Encourage its Members to participate in health and wellness programs.
3. Educate its Members in the Judeo-Christian teachings in regards to health and wellness matters.
4. Sponsor a Judeo-Christian health sharing ministry program for its Members.

The Ministry brings together individuals based on the following shared religious, ethical and moral values:

- We believe that our personal rights and liberties originate from God and are bestowed on us by God, and are not concessions granted to us by governments or men.
- We believe every individual has a fundamental religious right to worship God in his or her own way.
- We believe it is our ethical obligation to assist our fellow man when they are in need according to our available resources and opportunity.
- We believe it is our spiritual duty to God and our ethical duty to others to maintain a healthy lifestyle and avoid foods, behaviors or habits that produce sickness or disease.
- We believe it is our fundamental right of conscience to direct our own healthcare, in consultation with physicians, family or other valued advisors, free from government dictates, restraints and oversight.

These religious beliefs form the moral, spiritual and ethical basis for our interaction and relationship as a community. We make a somber and significant pledge to one another that we will aid, support and devote our resources to one another in this most personal area of our life: our healthcare!

*If you can agree with these beliefs and values then
United HealthShare™ Ministry's - Freedom HealthShare is meant for you!*
